

Panthella Portable V2

Panthella Portable V2 - 5744162924

This portable table lamp emits a glare-free, soft, and comfortable light. The metal shade variants reflects the light downwards and provides pleasant illumination created by the inner white painted shade and the reflection from the trumpet-shaped stem. The opal acrylic variants provides gentle illumination and subtle ambience due to the transparency and the reflection of the downward light on the inner side of the shade.
